NEW ENGLAND & CANADA Fall Foliage Cruise

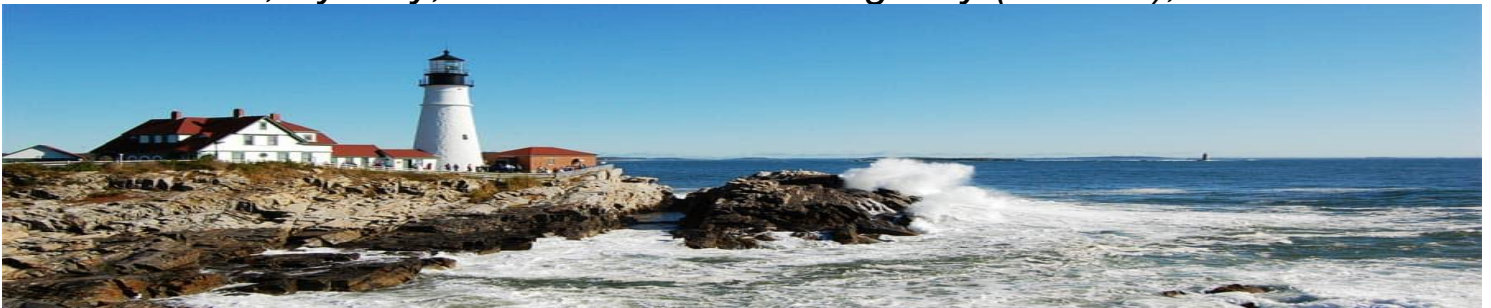

September 26 to October 7, 2026

If there is one season when Mother Nature loves to flaunt, it's fall. And there is no better view of this amazing spectacle than on our Canada & New England cruise on Norwegian Jewel. Along the coastline of Canada & New England is where the deep-blue sea meets rich autumn hues. Witness the changing fall foliage, one of nature's amazing spectacles. It's also where you'll travel back to the Gilded Age and explore Bar Harbor, an opulent summer retreat built for the 19th-century elite. Quebec City iconic Chateau Frontenac is where you'll find the best views of the Saint Lawrence River. And be sure to save an afternoon for a true "downeast" lobster bake.
